Rapid Rail Access

# PLATFORM ACCESS STEPS

TPA's innovative platform access steps provide a quick and safe method of accessing the track from station platforms.

TPA's range of platform access steps are purpose designed to provide safe pedestrian access from station platforms to the track. The steps are lightweight – each unit weighs 36kg, easily installed

and can be ready for use in minutes. The stair treads self-level to suit any height and the frames are manufactured in non-conductive GRP.

## KEY BENEFITS

**INNOVATIVE  
SOLUTION**

**PROTECTIVE**

**SAFETY  
APPROVED**

**QUICK &  
EASY INSTALLATION**
